RE-STARTING YOUR KEPPLEWRAY ADVENTURE WITH SOCIAL DISTANCING

Good news for carers and charities this summer

We're making changes here at The Keppleway Centre, so we can welcome guests again just as soon as national restrictions allow, hopefully this summer.

We want you to be able to come to The Keppleway Centre with confidence this year, whether it's for an adventure activity break, or somewhere to relax and enjoy The Lake District again. That's why we're adapting to comply with social distancing rules and to help ensure the health of our guests and staff. These include changes to our range of great outdoor activities and to procedures when in the Centre. This flyer outlines the main changes but please contact Keppleway on **01229 716936** to discuss your plans.

ACTIVITY PROGRAMME

We will run the following activities, packages and associated transport whilst maintaining social distancing. All equipment will be cleaned and disinfected between use.

AROUND THE CENTRE

Until Government advice changes, we will reduce the capacity of The Keppleway Centre to 40 persons. This will allow sufficient space in bedrooms and public rooms to maintain a safe distance. Meals are taken over two sittings and a one-way system of moving around the Centre is in place. Extra hand washing stations are in place around the Centre, with signage to encourage our guests to use them. Care will be taken when allocating rooms to ensure a safe distance is maintained. All bedding and rooms will continue to be cleaned between bookings with bedding sent to an external laundry.
